

November 2017 Photo Album

November was a busy month at the Micah Project. We finished up our school year, celebrated a Timothy guy's university graduation, four guys' high school graduations and a Micah guy's sixth grade graduation...and started "summer" vacation! Good times. :-)

Graduation

This month, we celebrated some huge accomplishments! Isaiah guy Daniel, Micah guys Hector and Miguel and Micah friend Tony graduated from high school. Timothy guy Junior graduated from university, and Micah guy Jhon graduated from the sixth grade. Praise the Lord!! It was extra special to have Micah supporters from all over come to celebrate with us...so beautiful!!
