We had lots of fun during the month of December! We welcomed visitors, the boys continued “summer” break classes and extracurricular activities, and we celebrated Christmas!!

This month, we had lots of Christmas celebrations. First, we invited some elderly members of our community over for lunch. The guys served food and performed songs they learned on the keyboard, recorder and guitar during “summer classes,” and Michael gave an encouraging Christmas talk. Another day, family members of our guys came by for a similar celebration. When it’s possible and appropriate, we work hard to foster reconciliation between the guys and their biological families.

Christmas in Honduras is super fun!! On Christmas Eve, our community stays up until midnight to ring in Christmas Day with loads of fireworks! We also have a big dinner and swap presents.

At Micah, generous donors sponsor our guys each year and buy them Christmas presents. We're so thankful for this faithful giving, and the Micah guys love their gifts!!

Christmas is all about celebrating our Savior Jesus' "birthday." But Micah guy Noé's birthday is on December 25! So, we get two birthday parties! It's so fun. Noé's party even ended in a cake fight! We love goofy Micah moments. Praise the Lord!
