

June 2017

Photo Album

June 2017 was a busy month. We had lots of visitors, including church groups from Houston, Texas and St. Louis, Mo. Having these guests was a real blessing. They were so encouraging and supportive. Thanks, friends, for your dedication to this ministry and love for the Micah family! We appreciate your support and friendship so much.

Visitors from Houston

Our team from Houston included lots of long-time Micah friends as well as a few new faces. It was so wonderful having friends visit and encourage the Micah guys as well as kids who are still connected to life on the streets. We're so thankful for the friendship God has given us through these supporters.
