

# May 2017

## Photo Album

May was a big month at Micah. They were busy times with school, extracurricular activities, the day-to-day lives in our three homes and street ministry...but God continued to prove Himself good and faithful. As we go through life, we continue to look to Him for strength and refreshment. He is able, and we love to trust and obey!

# Fun at Micah 2.0

This month, we picked fresh bananas grown on Micah 2.0's property. This is a cool way for the guys to learn about the environment and cultivation of food—a cool learning experience!

We also threw a party for Timothy guy Wilmer, who transitioned out of the Timothy house. We're very proud of him and thankful to God fro His faithfulness.

# Updates...

Throughout the month of May, we connected with former Micah guys Luis (top left) and Axel Josue (bottom left) and plan on having them move back into Micah in June. Also, our summer intern Lincoln (right & bottom left) arrived from St. Louis! His presence is a huge blessing.

# Micah Birthdays

# Life at Micah

We also celebrated Becca & John's daughter Emmy's birthday. And we had a visit from Jenna, our former communications coordinator, and her son Ian, who have been working to open a similar ministry in El Salvador along with Jenna's husband!

# Micah Smiles

We also reconnected with Josue (above), and he moved back in at the end of the month!
