

# September 2016 Photo Album

Each month always has its share of ups and downs here at the Micah Project, but we are always aware of God's love and grace, and we're thankful for this wonderful family He's put together in Micah. This month included lots of fun activities like the "Day of the Kid" and Honduras' Independence Day. We also enjoyed seeing friends in the US and welcoming our newest missionary, Lucy!

# Day of the Kid

Ahoy matey!! Everyone had so much fun on Sept. 9 putting on an eye patch and searching for treasure as we celebrated El Día del Niño, The Day of the Kid! The boys searched for treasure by competing in a variety of outdoor games. After the treasure was found, a pirates lunch of chuletas (pork chops) and minutas (snow cones) was served.

# Fiesta Cultural

We celebrated Independence Day by having a cultural party. We invited the senior citizens from the Linda Miller to participate and enjoy a day of food and fun. The boys created presentations centered around their social studies curriculum, which includes Honduras, Central America, and other countries from around the world. There was also traditional Honduran dancing and food.

# Fiesta Cultural

# Labor of Love 2016

MUCHAS GRACIAS to everyone who came out to support the Micah Project through the Labor of Love: in St. Louis and all over the world! Thanks to our sponsors, all of your registrations went directly to support the Micah Project's ministry to street boys in Honduras. And special thanks to Tiffanie Upshaw for her dedication in planning this event each year.

# Life at Micah

Life at Micah is such a blessing...not always easy, but full of joy. Everyday, we are reminded of God's faithfulness, provision and love. We're also thankful for friends and supporters all over the world, including our friend and amazing artist Mauricio (top left) as well as our newest missionary from the US Lucy Wynn (below), who arrived this month!

We also had fun harvesting corn on our property this month! YUM!
