

The Micah Project

September Album

The Labor of Love

On September 1st, hundreds of people supported the Micah Project through a 5k run or a 1 mile walk! Here, Randy Mayfield keeps everyone informed and entertained through his hilarious announcements.

The Labor of Love

Some of the delicious edible prizes that were up for grabs! Additionally, several local businesses donated gift cards and discounts along with prizes for a raffle!

The Labor of Love

The race begins! Over two hundred people ran and walked bright and early on a Monday morning at Tower Grove Park in St. Louis.

Un Labor De Amor (A Labor of Love)

Those of us in Honduras were not to be left out of race festivities! A generous donor offered to sponsor the runners at 10 Lempiras (\$.50) per lap. The total of 3850 laps is contributing to paving the road and parking area that we ran on!

Pedro's Wedding

On Saturday, September 6th, Pedro, a Micah graduate, married a woman from Villa Linda Miller named Maricela! Take a look at these photos as one of our grads takes a big step forward in his life!

Radiant. Just absolutely radiant. That is the only word to describe Pedro and Maricela's wedding. The bride, the groom, the guests, the scenery itself: radiance! Though the skies were dark and menacing, the sun broke through about fifteen minutes before the wedding and shone our Father's love down on Pedro and Maricela!

Several of the Micah boys were groomsmen!

We are so happy that Pedro decided to have the wedding at Micah 2.0 so that our boys could see what it means to make a godly decision regarding marriage and life!

CPC Vision Trip

It is always good to have St. Louis's Central Pres' Vision Trip in Honduras every September. Here, the group and the boys view Tegucigalpa from the Christ statue.

The Micah vans head back down the mountain after visiting the Christ statue. (Hurry up, Raul!)

Happy Independence Day, Honduras!

On September 15th, Honduras and much of Central America celebrated their independence. We celebrated at Micah 2.0 with folkloric dance, traditional games, and really great food.

La Ceiba

Many of the boys had a soccer tournament on Saturday in the Honduran coastal town of La Ceiba. Here are a few shots from the day.

Marvin's Wedding

Pedro was not the only Micah grad to get married in September. Marvin Soto also tied the knot with his bride, Shannon. The wedding took place outside of St. Louis, Missouri and was attended by many Micah Project friends, grads and staff
