

August 2016 Photo Album

August was a fun-filled month at the Micah Project. We spent time with friends from Central Presbyterian Church, played baseball and celebrated a birthday! You're invited to share in these moments by checking out the photos in this month's album. We hope it gives some insight to life here at Micah. God is good to us!

Playing Baseball

This month, our founder and director Michael Miller taught some of the guys how to play baseball. It was a great time of fun and exercise...the boys really enjoyed themselves!

Visiting with CPC

We were so blessed to have a group from Central Presbyterian Church in St. Louis, Mo. visit this month! Michael grew up at Central, and its members are big supporters and encouragers of Micah. We are very thankful for the love, support and prayer these individuals constantly give us.

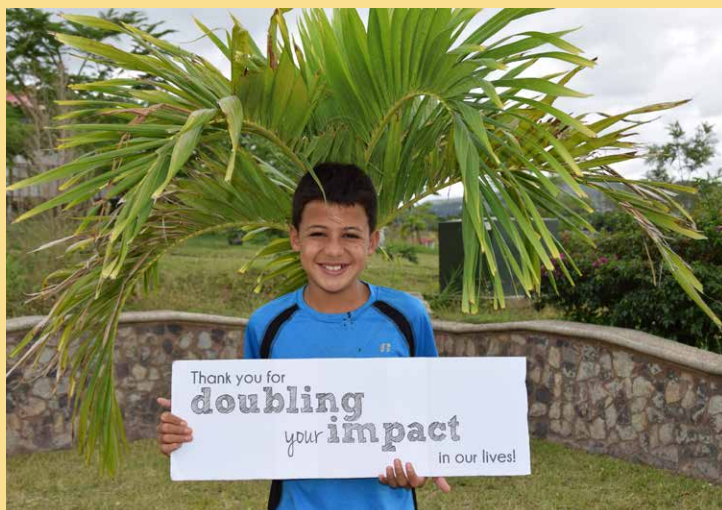

Visiting with CPC

Double Your Impact

Next month, through the end of September, every donation given to the Micah Project will be matched by a generous grant from some long-time Micah supporters--up to \$120,000! Here are some fun photos we took to spread the word! If you'd like to join in, you may donate at micahprojecthonduras.org/doubleimpact. Muchas gracias!

Life at Micah

We are truly thankful for every day the Lord gives us at Micah. This place is so full of his grace and love, and we thank God for each and every individual who calls the Micah Project "family." What a blessing! Here are a few more snapshots of life at Micah. We hope they make you smile! Top Photos: We celebrate Eduardcito's birthday.
